CRAZY CHRIS RECOMMENDATIONS (IN NO ORDER)

1. **ASHLEY'S B&B GUEST HOUSE**
Run by a lady in my classes' lovely place across the road from the sea. She will be at the pink event, I have had my guest choreographer's stay there in the past. 15 minutes drive from venue.
2. **ELM TREE COTTAGE B&B**
I haven't been here myself but it has a very good reputation in our area and I know people who have stayed there and have re-booked to stay again so must be nice. Also is the closest to the venue about 2 minutes drive.
3. **PREMIER TRAVEL INN**
As you would expect anywhere in the country very nice. Again normally a handful of people book this Travel Inn every year so is a good one. Am sure by the name you will know what to expect we have all stayed in one at some stage so we all know what they're like. Again 15 minutes drive from venue.
4. **DAYS INN**
One I hadn't thought of before looks just like any other services lodge really so would expect it to be good. Again about 12 minutes drive from venue.

Directions to Scotch Horn Community Centre from M5 Motorway (15 minutes max)

Leave M5 at Junction 20 signposted Clevedon and Nailsea there is only one exit from this roundabout which takes you to another roundabout. (You need to be in right hand lane)

At this roundabout take the 3rd exit (right turn) follow road to end and you'll come to a mini roundabout (to the left you will see a shell petrol garage) turn right at roundabout signposted Nailsea.

Follow road all the way to the end (about 10 minutes) going through village of Tickenham past a few sharp bends (and I do mean sharp!) up a hill and down again and it will bring you into Nailsea past the fire station (on the right) following road to a T junction.

At T Junction there is a set of traffic lights with Somerfield's in front of you, turn left. Follow along to Tesco where there is another mini roundabout, turn right. Again along to next mini roundabout by Tesco entrance and garage turn right. Venue is 1st on left.
